

# Dream Stone Healing

## Code of Ethics

### My Promises & Vows to my Clients, Myself & Spirit

- ❖ I promise to encourage my clients to heal themselves, and assist them in their personal growth.
- ❖ I promise to always work in the light and for my clients highest good.
- ❖ I promise to work under the intention to release that which is ready to be released, safely, gently and without pain.
- ❖ I promise to always work with a strong set of ethics.
- ❖ I vow to retain client/patient confidentiality, and respect my clients privacy.
- ❖ I vow to respect my power animals & spirit guides, and our bond.
- ❖ I vow to do my best to guide clients to their ideal path.
- ❖ I will be responsible and conscious of the energy I bring into the healing space as a healer, always striving to be positive, and create a safe place for my clients, power animals and spirit guides.

~~~~~

- ❖ I will not abuse the gifts and power I am given access to.
- ❖ I will not pass along messages of another, or tune into someone who is not my client, or who I have not received permission from.
- ❖ I will not dishonor another's gifts or how they do their spiritual work.
